

ABPS ACHIEVEMENT AWARDS

The American Board of Physician Specialties (ABPS) shall recognize Diplomates for their outstanding service, dedication, and contributions to the ABPS and the American Association of Physician Specialists (AAPS) through ABPS Achievement Awards. There are three levels of Achievement Awards: Achievement Award, Senior Achievement Award, and Lifetime Achievement Award. The criteria for these awards are based on a cumulative point system.

Criteria:

- Must be an ABPS Diplomate in good standing
- Must accumulate the designated number of points below (see point designations on page 2)

Award Level	Required Points
Achievement Award	10 points
Senior Achievement Award	30 points
Lifetime Achievement Award	60 points

Requirements:

- Individuals who accumulate the required number of points for any level may apply for the corresponding Achievement Award. Applications are due on December 31 of each year for consideration for awarding the following year.

Policies:

A maximum of 3 points per calendar year may be applied to total required points.

Individuals may not apply for more than one achievement award in the same year and shall only apply for the highest level for which they qualify at the time of application.

Approval:

Achievement Awards shall be awarded with a majority approval by the members of the Leadership Committee.

Achievement Award Point Designations

A maximum of 3 points per calendar year* may be applied to total required points.
